

LESLIE'S CLEANING SERVICES

Using Science to Clean for Health

Initial Top to Bottom/Deep-Clean Checklist

Deep clean items are cleaned by hand with an emphasis on detail and elimination of soil buildup. Often surfaces are washed vs. dusted or wiped.

Kitchen

- High dust, low dust and in-between dust using the long duster
- Fronts of cabinets (for vacancies wipe out all cabinets and drawers)
- Table & chairs (wipe down & place chairs uniformly around table)
- Refrigerator (including the top, sides, water catcher, & behind door handles)
- Dishwasher (exterior, open and clean the top of door)
- Microwave - wash inside and outside, lift and clean behind and under if applicable
- Stovetop - lift & clean, soak & scrub drip pans
- Oven hood (degrease and clean filters)
- Inside of oven glass cleaned (inside of oven wiped out upon request)
- Wash doors & door trim
- Clean light switches & electrical plates
- Scrub/disinfect sinks including down the drain & garbage disposal
- Light fixtures - hand wipe or long dust depending on height
- Artwork & hanging decor (no hanging wall plates)
- Clean window sill, tracks, and ledges
- Counters - carefully remove items, clean them and put back
- Backsplash
- Wash baseboards
- Clean kitchen window
- Vacuum blinds
- Vacuum and or/mop floors

Bathrooms

- Scrub/disinfect sinks
- High dust, low dust and in-between dust using the long duster
- Clean air vents (look up!)
- Mirrors - clean all the way to top (may need long duster for tops)
- Tub/shower & tiles (2x max, BioClean glass door as needed)
- Toilet - sanitized (including behind and plumbing)
- Sanitize counters & fixtures
- Cabinets and drawers (exterior)
- Wastebaskets - emptied and cleaned
- Shake out area rugs (put back down when floors are dry)
- Vacuum & mop
- Clean window sill, tracks, and ledges
- Wash baseboards
- Vacuum blinds

Foyer, Living, Family, Dining, Office, Bedrooms & Other (Dry) Rooms

- Ceiling fan blades (hand wipe if possible)
- High dust, low dust and in-between dust using the long duster
- Light fixtures (hand washed in place/not removed)
- Blinds (vacuumed) & shutters (wiped)
- Moldings & woodwork, window sills, & lock ledges hand washed or wiped
- Wash doors and trim
- Clean window sill, tracks and ledges
- Lamps & lampshades (dusted or vacuumed w/ attachment)
- Pictures & knick-knacks (hand wiped)
- Artwork (wiped down, dusted)
- Wipe down fronts, sides, legs & rungs of furniture (vacuum upholstered furniture w/ attachment)
- Vacuum and/or mop floors
